Lake Norman Realty Kicks-off Summer Drive for The Hope House Foundation

CORNELIUS, NC - Lake Norman Realty kicked-off a Summer Donation Drive for the Hope House on August 7th, 2008 at Lake Norman Realty's Cornelius office with an "Icee" Social. The Hope House is a local nonprofit whose mission is to nurture the well-being, independence, and faith of displaced and in-need women and their children by providing shelter, services and support via transitional housing and life skill training. "We're inviting the public to assist us with collecting needed items for the Hope House," said Lake Norman Realty president Abigail Jennings. "The foundation is in need of white twin size sheet sets, white hand towels, white wash cloths, and white bath towels. Monetary donations are also welcome. We hope the community will join us to help this worthwhile cause," added Jennings. Donations may be dropped off at any of the four Lake Norman Realty offices in Cornelius, Denver, Mooresville, or Statesville during the months of August and September.

Lake Norman Realty would like to thank Charlotte Van & Storage Co. for co-sponsoring the "Icee" Social. The event was a huge success which raised funds for the foundation, and many needed items. A special thanks also to the Hampton Inn & Suites in Mooresville, who made a generous donation of new white towels and wash cloths on Lake Norman Realty's behalf.

Lake Norman Realty is currently celebrating its 30th anniversary year of excellence serving the Lake Norman community. In addition to full residential real estate services, the firm offers in-house mortgage and insurance, a full spectrum of property leasing and management, and complete commercial and relocation services.
