Lake Norman Realty Pitches in to Help Boys & Girls Club

This holiday season, Lake Norman Realty's Statesville office is helping outfit the fledgling Boys & Girls Club of the Piedmont with a donation of much needed sports equipment. Located at 1001 Cochran St. in Statesville, the new Boys & Girls Club of the Piedmont strives to promote and enhance the development of boys and girls by instilling in them a sense of competence, usefulness, belonging, and influence. "Every child deserves a place to play, grow, and learn in a safe and caring environment. Statesville has taken an important step in bringing this club to our community, and we're thrilled to be able to help get their sports programs up and running," said Abigail Jennings, president of Lake Norman Realty. The company will continue to collect sports equipment for the organization throughout the upcoming year and donations may be dropped off at Lake Norman Realty's Statesville office located in the heart of downtown Statesville in the City Center Building. For more information about this community project, Karen Gentry, manager of the Statesville Lake Norman Realty office may be reached at (704) 881-0771.
