## Press Release

### Lake Norman Realty Welcomes GREGORY to Sales Team

Lake Norman Realty's President, Abigail Jennings, is proud to announce the addition of their newest Sales Associate in the Mooresville office, Tom Gregory. Licensed by the North Carolina Real Estate Commission, he is a member of the national, state and local REALTORS association. Since becoming a member of the Lake Norman Realty team, Tom has completed the ACE (Advanced Comprehensive Education) Program, Lake Norman Realty's in-house professional post-licensing training program for real estate agents. The program provides hands-on training to handle all aspects of a real estate transaction in a highly professional manner and an opportunity to learn and practice the latest proven methods and techniques for success. Tom has also completed the e-Pro course to become one of a select few real estate professionals to earn the prestigious certification offered through the National Association of REALTORS®. He now joins the ranks of a special community of highly skilled and continuously trained professionals who provide high quality and innovative online-based real estate services.

An Iredell County native, Tom has spent the majority of his life in the communities of Statesville, Mooresville, Harmony, Cornelius and Huntersville. He has served as President of the North Iredell unit of the American Cancer Society, and as a board member for the YMCA and the American Red Cross. He has also been active in the Little Theater, having played a number of roles in productions through the years. An active Freemason and Gideon, he continues to serve the community through service and outreach.

Prior to his real estate career, Tom worked in Manufacturing Management for a number of years and was a recipient of the ABWA "Boss of the Year Award" and The Chamber of Commerce "Human Resource Manager of the Year Award", as well as other professional awards and recognition.

"I chose to be associated with Lake Norman Realty because of their reputation. They are a company dedicated to community and high standards of integrity", he said when asked why he chose Lake Norman Realty. "I am proud to represent a company with such high professional standards and a real concern for the community."

Tom is someone who can be counted on to "tell it like it is" and is a trusted advocate for his clients. He will help you every step of the way in purchasing or selling a home...and won't disappear after the sale! In his spare time, Tom enjoys fishing on Lake Norman and vegetable gardening. He is active in the community and his church where he has served as Sunday School teacher, Scout Master, and Chairman of the Administrative Council, Finance, and Staff Parish committees. Tom can be reached in the Mooresville office at 704.663.3655, on his mobile phone at 704.880.7158, or by email at TomG@LakeNormanRealty.com.
